

By the Judgment of 15th February, 2016 No. 3-II/2016 the Constitutional Court gave appraisal of constitutionality of the provisions of Section 9 of Article 3 of the Federal Law “On Making Amendments to Subdivisions 4 and 5 of Division I of Section 1 and Article 1153 of Section 3 of the Civil Code of the Russian Federation”

The contested norm was the subject-matter of consideration to the extent to which on its ground the question is solved of application to claims, the terms of laying of which were envisaged by the legislation operating earlier and did not expire prior to 1st September, 2013, of the provision of Paragraph 2 of Item 2 of Article 200 of the Civil Code of the Russian Federation, according to which the term of limitation may not exceed 10 years from the day of emergence of obligations, the term of whose fulfilment is not determined or is determined by the moment of demand.

The Constitutional Court has recognized the provisions contested in this respect as not conforming to the Constitution of the Russian Federation. The said legislative provisions may not be regarded as a ground for application of this norm of Paragraph 2 of Item 2 of Article 200 of the Civil Code of the Russian Federation to the indicated claims.
