

By the Judgement of 16 March 2018 No. 11-II/2018 the Constitutional Court appraised constitutionality of the provision of Section 4 of Article 14 of the Law of the Russian Federation “On Social Protection of Citizens Affected by Radiation in Consequence of Chernobyl Atomic Power Plant Disaster”.

The contested provision was the subject-matter of consideration insofar as on its basis it is decided to set to family members of deceased Chernobyl invalids monthly monetary compensation for acquisition of food-stuffs.

The Constitutional Court has recognised the contested provision as not conforming to the Constitution of the Russian Federation to the extent to which it allows different approaches to the establishment of monthly monetary compensation for acquisition of food-stuffs to family members of deceased invalids in consequence of Chernobyl disaster, if in the time of living family providers they were not granted this payment.
