

By the Judgement of 26 March 2020 No. 13-II the Constitutional Court of the Russian Federation appraised constitutionality of Article 30, Section 2, para. 3 of the Federal Law “On Investigative Committee of the Russian Federation”

The challenged provision was subject to consideration to the extent that it allowed dismissal of an employee of the Investigative Committee of the Russian Federation from service, if he violated the Oath and (or) committed an offense defaming the honour of an employee of the Investigative Committee of the Russian Federation, without taking into account the provisions of Article 28, Section 8 of this Federal the law on the terms of disciplinary action.

The challenged provision was recognised as not contradicting the Constitution of the Russian Federation, since it does not imply the dismissal of an employee of the Investigative Committee of the Russian Federation in the event of violation of the Oath without observing the specified deadlines for imposing a disciplinary sanction.
