

By the Judgement of 6 June 2022 No. 24-II the Constitutional Court of the Russian Federation assessed constitutionality of Article 43, item 1, sub-item “B” of the Federal Law “On the Prosecutor's Office of the Russian Federation”

The said provision became subject to examination insofar as within the current legal framework it is the basis on which the issue of the dismissal of the prosecutor from service for violation of the Oath of Office is decided without taking into account the terms of application of the disciplinary penalty stipulated of Article 41.7, item 8 of this Federal Law.

The challenged provision was recognized as not contravening the Constitution of the Russian Federation because by its constitutional and legal meaning in the system of current legal framework does not imply the dismissal of a prosecutor who has violated the Oath of Office without observance of the above timelines.
