

By the Judgement of 12 July 2023 No.39-II, the Constitutional Court assessed constitutionality of Article 2 (item 3), Article 8 (sub-item 2 of item 1), Article 307 (item 2) and Article 395 (item 1) of the Civil Code of the Russian Federation

These legal provisions were the subject of consideration to the extent that they resolved the issue of satisfying the claim of a lawyer (who participated in a criminal case as appointed by the bodies of inquiry, preliminary investigation and court) to recover interest for late payment of remuneration to him.

The Constitutional Court recognised the contested legal provisions as not contradicting the Constitution, since they do not serve as grounds for refusing to satisfy the claim of such a lawyer to collect interest for late payment of remuneration for his work by authorised state authorities.
