

By the Judgement of 15 October 2024 No.46-II, the Constitutional Court assessed constitutionality of Article 395 (item 1) of Civil Code of the Russian Federation and Article 152 (item 2), Article 153¹ (item 2) of the Family Code of the Russian Federation

These legal provisions have been examined in so far as they regulate the question of the possibility of recovering interest for late payment by the guardianship and custody authorities of remuneration for the performance by a foster parent of the duties provided for in the foster care contract.

The contested legal provisions were found not to be inconsistent with the Constitution to the extent that, according to their constitutional and legal meaning, they could not serve as a basis for refusing to satisfy the foster parent's claim for recovery of the interest in question.
