

By the Judgement of 3 July 2025 No.27-II, the Constitutional Court assessed constitutionality of item 18 (paragraph 2) of the Rules of Payment of the Monthly Monetary Compensation established by parts 9, 10 and 13 of Article 3 of the Federal Law “On the Monetary Allowance of Military Personnel and the Provision of Certain Payments to Them”, for military personnel, citizens called to the military training or joined volunteer formations, whose pension insurance is provided by the Pension and Social Insurance Fund of the Russian Federation and for their family members

This provision was the subject of consideration to the extent that it resolves the issue of the date from which the payment of monthly monetary compensation (established by Article 3 of the Federal Law “On the Monetary Allowance of Military Personnel and the Provision of Certain Payments to Them”) should be made to family members of military personnel who died during active duty or as a result of military injury before 1 January 2012.

The contested provision was recognised as not contradicting the Constitution, since it assumes that such monthly monetary compensation for the mentioned category of persons before the entry into force of the said legislative act is appointed from 1 January 2012.
