

By the Judgement of 4 February 2025 No.5-II, the Constitutional Court assessed constitutionality of provisions of Article 3 (parts 13 and 16) and Article 5 (part 2) of the Federal Law “On the Monetary Allowance of Military Personnel and the Provision of Certain Payments to Them”

These provisions have been considered in so far as they serve as a basis for indexation of the amount of a monthly payment for compensation for damage to the health of a person recognised as disabled as a result of a military injury, granted in accordance with the rules of civil legislation on the basis of a court decision rendered before the entry into force of this Federal Law.

The contested provisions were found not to be incompatible with the Constitution in so far as they could not prevent the indexation of the amount of the said monthly compensation in accordance with the procedure established by Articles 318 and 1091 of the Civil Code, in conjunction with the provisions of the Federal Law on the Federal Budget, which annually establishes a coefficient for the indexation of the mentioned monthly payment for compensation.
