

**By the Judgement of 30 May 2025 No.25-II, the Constitutional Court assessed constitutionality of Article 104<sup>1</sup> (item «Д» of part 1) of the Criminal Code of the Russian Federation**

The said legal provision was the subject of consideration to the extent that, on its basis, a vehicle owned jointly by the spouses and used by one of them in the commission of a crime under article 264<sup>1</sup> of this Code (drunk driving) was confiscated by a court verdict after the death of this person.

The contested legal provision was recognized as consistent with the Constitution, since it assumes that in the event of the death of the person who committed this crime, the decision on confiscation of the vehicle remains in force.
